

The Ten Days of Winter Break

By the Education Foundation of South Brunswick

Written by Lisa DeMarco

We would have sang to you tonight
But that might give Mr. Feder and the Board a fright

And a song with that much repetition
May have been a painful exposition

So we'll just start with Day Ten and share
Our calming vision of joy, peace and care...

On the Tenth Day of Winter Break,
The SB Ed Foundation hoped to see:

Twelve teachers vacationing

Eleven paraprofessionals dining

Ten bus drivers walking

Nine custodians resting

Eight cleaners laughing

Seven secretaries shredding... **SNOW** not paper!

Six aftercare providers glowing

FIVE STUDENT LEADERS AT HOME

Four crossing guards cheering

Three security guards dozing

Two administrators playing

And a board without an agenda at all!
