Dear Community Partner,

As a result of the ever increasing educational needs and uncertainty of public school funding in New Jersey, a group of private citizens started The Education Foundation of South Brunswick Township, Inc. The Education Foundation is an autonomous non-profit 501(c) (3) corporation created to serve the South Brunswick School District by enhancing public school education through private funding.

The mission of the Foundation is to foster educational opportunities, creativity, and achievement in the South Brunswick Public Schools by providing funding for grants of student programs, innovative professional development opportunities for staff and student scholarships by generating corporate and private financial support, and encouraging volunteer time.

Since its creation in 2010, the Foundation has provided over \$160,000 for innovate grants including our recent \$17,000 capital grant which supplied 175 document cameras to be used in grades K thru 12 classrooms. The Foundation has also committed over \$82,000 in scholarship funds for graduating South Brunswick High School seniors.

I have enclosed some important information related to our upcoming fundraising event, “**A Taste for Education**”. The Education Foundation depends on this event for the majority of its annual revenue and though we have not been able to hold the event in three years, the Foundation has continued to answer the call when our School District has asked for assistance to support our teachers and students.

This year, at the Tasting event, the Foundation will be honoring Chartwells Schools Dining Service for their service to the South Brunswick School District and the community.

I hope you will consider sponsoring and attending or advertising in our event journal. If you would like more information about the Foundation and our endeavors, please visit our website at edfoundationsb.org.

As President of the Education Foundation, I look forward to the opportunity to discuss with you many of the ways in which you can contribute towards our success.

Sincerely,

A handwritten signature in black ink that reads "Martin Abschutz".
