

A TASTE FOR EDUCATION

October 19, 2023

6 PM – 9 PM

Pierre's of South Brunswick
Cedar Ballroom

*Presented by
The Education Foundation of South Brunswick Township, Inc.*

Welcome!

On behalf of the Education Foundation of South Brunswick Township I would like to welcome you to our 12th annual "A Taste for Education". We are extremely proud and pleased of the partnership the community has formed with us. Thank you all for your continued generous support of our good works.

This year, we are honoring the phenomenal South Brunswick School District career of Elaine McGrath. Elaine recently retired following a very long and award-winning career as the Athletic Director of South Brunswick School District. Please join us in thanking Elaine during the evening.

We believe we have assembled an outstanding collection of restaurants and vendors for you to enjoy. Each has volunteered to prepare a special dish for your palate. We thank them and we hope you will appreciate their offerings enough to thank each sponsor, by giving them your business.

Once again we have collected a variety of prizes for this year's raffle. Thank you to all of the businesses and people who donated goods and services for the raffle.

This school year, we have begun a Hands-on Engineering Initiative with the South Brunswick School District. The Foundation has provided an initial Hands-on Engineering Grant of \$42,000. Tonight's proceeds will be applied towards the next Initiative grant; please be generous. In the near future, the Initiative will touch every student in the District.

Thank you to all of the faculty members who have applied with their ideas for our Spark of Innovation grant program which has awarded over \$82,000 since 2011. Over time, we have awarded more than \$91,000 in scholarships to graduating SBHS seniors and \$41,000 in capital funds to the Viking Television Network (VTN). Our Joanne Kerekes Arts Grants and our Athletic Fund have awarded grants totaling more than \$5,500.

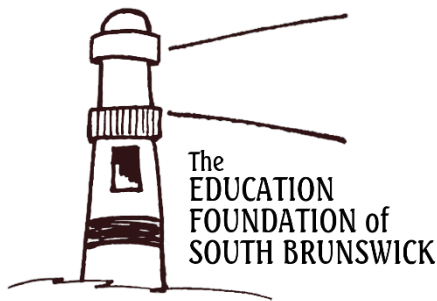

Our Tour de South Brunswick and Foundation Fun Walk, this past June, had more than 260 participants. We awarded funds to each of the District schools' physical education departments. Since 2011, we have had more than 4,500 participants and have awarded more than \$8,000 to physical education programs.

Taken all together, we have presented more than \$250,000 to the District and its students. Thanks to everyone who participated in any of our events or who donated their goods, services or money to our wonderful cause: furthering the education of SBSD students. We can do so much more with your continued generosity.

A Taste for Education

2023 Honoree - Elaine McGrath

In 1972, Title IX became law and started to level the playing field for girls' athletics. As a freshman at Governor Livingston H.S. in Berkeley Heights that same year, Elaine played girls' basketball, the first varsity sport offered for girls at the high school.

Governor Livingston added a new varsity sport for girls each academic year thereafter with Elaine taking advantage of opportunities to letter in field hockey and softball on the way to becoming a three-sport athlete before graduating.

Pioneering athletics director Elaine McGrath

Elaine graduated from Kean College in 1980 with a bachelor's degree in physical education and a master's degree in education before receiving her supervisor and principal's certification.

After coaching basketball and softball at Immaculate Conception High School in Montclair (1980-90) and at Rutgers University-Newark (1990-93), Elaine was hired as an assistant principal and athletics director at Highland Park.

Elaine was as an athletics director for nearly three decades, along the way becoming among the state's most respected administrators. Toward the end of her distinguished career, McGrath served as NJSIAA president.

In 2017, Elaine became only the third woman in the 43-year history of the Directors of Athletics Association to be named its New Jersey's Athletics Director of the Year. The organization has more than 440 members.

Elaine spent the bulk of her career as an administrator at South Brunswick, which has grown from a Group II school in the '80s to a Group V school.

Under Elaine's leadership, the Vikings made tremendous strides on the field, in the classroom and in the community.

Elaine was inducted into the South Brunswick High School Athletics Hall of Fame in September of 2022.

About the Ed. Foundation...

The creation and development of the Education Foundation of South Brunswick Township, Inc. as a non-profit corporation is an outgrowth of increasing educational needs in the community and the uncertainty of public school funding in New Jersey. In addition to addressing fiscal needs, the Foundation is designed to provide a forum for communication and an ongoing opportunity to exchange ideas on behalf of educational interests of the community.

South Brunswick School District has enjoyed the generous support of the community, allowing the schools to develop exceptionally effective programs for students.
