

# A TASTE FOR EDUCATION

The logo for The Education Foundation of South Brunswick is integrated into the word 'TASTE'. The letter 'T' is a large, blue shield shape. Inside the shield is a line drawing of a lighthouse with the text 'The EDUCATION FOUNDATION of SOUTH BRUNSWICK' to its right. To the right of the shield is a cartoon waiter in a blue suit, white shirt, and white apron, holding a tray with three books. The letters 'A', 'S', 'T', 'E', 'F', 'O', 'R', 'E', 'D', 'U', 'C', 'A', 'T', 'I', 'O', 'N' are in a blue, sans-serif font.

# *Welcome!*

On behalf of the Education Foundation of South Brunswick Township I would like to welcome you to our 13th annual "A Taste for Education." We are extremely proud and pleased of the partnership the community has formed with us. Thank you all for your continued generous support of our good works.

This year, we are honoring the phenomenal Catherine Oliver. Catherine has been the Council Coordinator of the South Brunswick Presidents' Council since 2009. In addition to her many roles at schools her children attended, she took part in the District Evaluation Advisory and H.I.B. Policy Review Committees.

Outstanding restaurants and caterers have volunteered to each prepare a special dish for your palate. We welcome Maschio's Food Services to their first (of we hope many) Taste for Education event(s). In addition, we will pour a variety of wines for your enjoyment. We thank them! We hope YOU will appreciate their offerings enough to thank each sponsor, by giving them your business.

We have raised the bar in another way; we have collected many diverse types of prizes for this year's silent auction and raffle. We think you will appreciate the eighth year of our enhanced raffle format. It gives you the opportunity to win some great raffle prizes. We have outstanding silent auction items, too. Thank you to all the businesses and people who donated goods and services for the silent auction or the raffle.

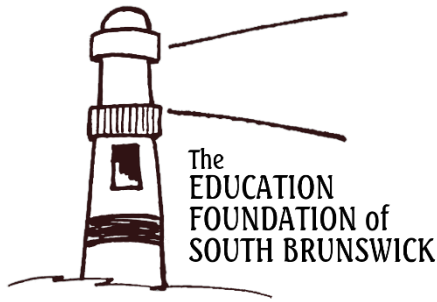

Our faculty grant award total is more than \$90,000, over time. In addition, we have awarded \$41,000 to Viking Television Network (VTN) and \$42,000 for the District Engineering project in capital funds; that brings out total capital donated to more than \$100,000. Thank you to all the faculty members who have applied with their ideas for our Spark of Innovation grant program. In addition, we have awarded more than \$99,000 in scholarships to graduating SBHS seniors, in the past 10 years. Six years ago, we set up the Joanne Kerekes Arts grant; we have awarded grants totaling more than \$3,000 in recognition of Joanne's contributions to our District.

Our Tour de South Brunswick, this past June, had more than 175 participants. We awarded funds to each of the district schools' physical education departments received awards. Our six-year total is now more than 4,000 participants and more than \$9,000 awarded to physical education programs.

Taken together, we have awarded more than \$300,000 to the District and its students. Thanks to everyone here tonight, who took part in any of our events or who donated any of their goods, services, or money to our wonderful cause: furthering the education of SBSD students. We could not do any of it without your generosity.

## **2024 Honoree - Catherine Oliver**

Catherine's time with the South Brunswick School District started in August 2003 when she attended her first PTO meeting at Indian Fields Elementary School as her oldest daughter was going into kindergarten. At the time she was working full-time and was able to help occasionally at events. She slowly started to take on more responsibilities throughout her daughter's time at Indian Fields.

She resigned from her full-time job

in 2005 when her youngest was turning one and she was able to volunteer as chairperson of the Mother's Day Plant Sale. With some additional time on her hands, she was able to help more, and this led to her position as PTO President in 2008 until 2009. Catherine was also a coach for cheer, basketball and softball for both her daughters.

During her time as PTO president, she attended The South Brunswick Presidents' Council which was the brainchild of Dr. McCartney and coordinated by Marianne Long. As Marianne was leaving the council in 2009, Catherine volunteered to take over Marianne's role as Council Coordinator. Catherine has held that position ever since.

Along with being the coordinator and when her youngest daughter started to attending Brooks Crossing in 2011, Catherine volunteered for the position of co-president from 2011-2015. During her time at Brooks, she was invited to sit on a couple of committees to provide perspective from a parent's lens. She participated in the District Evaluation Advisory Committee (DEAC) Committee and H.I.B Policy Review.

## **2024 Honoree - Catherine Oliver**

Throughout her time serving as a volunteer and working part-time she attended Middlesex County College where she was awarded her associate degree in 2012. She continued to Rutgers University in the Spring of 2013 and completed a BA in 2017 and a MA with Rutgers GSE in 2022. This was a high point as she was able to walk in the university commencement with her oldest daughter who also completed her Master of Social Work in 2022.

During her time at Rutgers, she worked part-time in a student position that eventually turned into a full-time position in September 2016. She currently works as the Associate Registrar at the Office of the Registrar in New Brunswick.

Catherine is also on her HOA board serving that community since 2021, prior to that, she was Chair of the Social Committee since 2016.

Catherine has been married to her husband, Keith for over 26 years. They have lived in South Brunswick since 2002 and have made this community their home. Her daughters, Cailee, and Krista, both attended and graduated from South Brunswick School District. She loves that both her daughters had the opportunity to stay in one school district even though they attended different schools. Indian Fields, Brooks Crossing, Crossroads North, and South, and SBHS hold a special place in her heart, and she is forever grateful for all those she encountered throughout the journey.

# About the Ed. Foundation...

The creation and development of the Education Foundation of South Brunswick Township, Inc. as a non-profit corporation is an outgrowth of increasing educational needs in the community and the uncertainty of public school funding in New Jersey. In addition to addressing fiscal needs, the Foundation is designed to provide a forum for communication and an ongoing opportunity to exchange ideas on behalf of educational interests of the community.

South Brunswick School District has enjoyed the generous support of the community, allowing the schools to develop exceptionally effective programs for students. Through this support, the District has distinguished itself on every measurable front as one of the best K-12 institutions in the State of New Jersey. The Foundation will focus on preserving, protecting, and perhaps enhancing the excellent educational opportunities of the School District.

## Our Organization...

The Foundation is a private non-profit corporation. However, its only purpose is to serve the South Brunswick School District. The Board of Trustees will consist of individuals with the specific skills and influences necessary to make the Foundation financially and programmatically successful. A representative of the Board of Education shall be asked to sit as permanent, Ex-Officio Trustee without vote, to ensure that a congruence of philosophy is maintained between the schools and the Foundation, and to protect the District's interests.

## How We Help...

It is the mission of The Education Foundation of South Brunswick Township, Inc. (a non-profit corporation) to promote and provide educational support and opportunities through innovative programs and projects. The organization will fulfill its mission by attracting and allocating financial and in-kind gifts of goods and services to and for the students of the South Brunswick School District.

The Foundation will carry out its mission by focusing support in the following areas:

- **Enhancing Student Development & School Facilities.**
- **Encouraging excellence through creative learning and teaching.**
- **Promoting community/school partnerships.**
