A Taste for Education

2025 Honoree

The South Brunswick Education Association

Welcome to **A Taste for Education**, a celebration of the people and partnerships that make the South Brunswick School District such a remarkable place to learn and grow.

Tonight, we come together not just to enjoy wonderful food and community, but to recognize an organization whose heart and hard work have shaped generations of students — the South Brunswick Education Association, or SBEA.

The SBEA is more than a professional association. It is a family of dedicated teachers, support staff, and educational professionals who give their all — not just to teach curriculum, but to nurture curiosity, confidence, and character in every child who walks through our school doors. Every day, SBEA members show up early, stay late, and go far beyond what their job descriptions require. They mentor, they inspire, and they model compassion and resilience. They celebrate every success, and they lift up students when they stumble. Their impact cannot be measured in test scores or report cards — it lives in the futures they help build. What makes the SBEA so extraordinary is its unwavering commitment to collaboration — with families, administrators, and with us here at the Education Foundation of South Brunswick. They understand that when we work together, we can open doors of opportunity wider than any one of us could alone. Tonight, as we honor the SBEA, we honor the countless unseen moments of dedication — the patient listening, the extra help sessions, the kind words on a tough day. These are the moments that shape lives.

So on behalf of the Education Foundation of South Brunswick and our entire community, thank you. Thank you to the South Brunswick Education Association for your tireless devotion, for your partnership, and for reminding us every day what the power of education — and educators — truly looks like.

Please join me in a heartfelt round of applause as we celebrate the South Brunswick Education Association — champions of our children and the bright future they deserve.

About the Ed. Foundation...

The creation and development of the Education Foundation of South Brunswick Township, Inc. as a non-profit corporation is an outgrowth of increasing educational needs in the community and the uncertainty of public school funding in New Jersey.
